Dear Sir/Ma'am,

[situation]

I am required to get a police clearance certificate - a document certifying that I have not been convicted of any crimes - apostilled to obtain a study visa. This document will be issued by the office of the Deputy Commissioner of Police, Darya Ganj. According to the [website](#) I am required to first get the document authenticated and then submit it indirectly (through an agency) to the MEA.

[difficulty]

Could you please let me know where exactly am I to get the document (police clearance certificate) authenticated and precisely what would qualify as a proof of authentication?

Thank you for your time.

Sincerely
