

Visa New Delhi to me

8 Aug

Dear Sir,

Thanks for your mail,

It is regarding the Police clearance certificate issued from the local SDM office Or passport office.

That has to be apostilled from MEA New Delhi.

Thanks & regards

HJ

Dear Sir/Ma'am

I was misled by the title "Where to lodge your application for leave to remain". The link I finally landed on was the following:

...

[https://dofi.ibz.be/sites/dvzoe/EN/Application-guides/Pages/Higher\\_education\\_or\\_preparatory\\_year\\_Visa.aspx](https://dofi.ibz.be/sites/dvzoe/EN/Application-guides/Pages/Higher_education_or_preparatory_year_Visa.aspx)

The issue now is that the last required document, "certificate attesting to the lack of any convictions for crimes or offences under common law" leads to a link which doesn't work. Could you please specify precisely what is required and perhaps intimate where it can be obtained from?

Sincerely

Dear Sir/Ma'am

Unfortunately, I had already looked at those links and therefore sent your office an email. I could not find anything relevant in those. Could you please send me a PDF containing the required information or the correct link which lands me to a page which has the information.

Sincerely
