Dear Atul,

I am pleased to inform you that you have been accepted into the PhD program and doctoral research training in Engineering and Technology for the year 2016-2017.

Please find enclosed your letter of acceptance. The original document is sent to Mrs. Lathouwers.

**You are accepted, but not yet enrolled.**

The next step is to get a long-stay visa (D visa) for Belgium.

As soon as you have received your Belgian student visa, and before 30 November 2016, please email me a copy of your passport and of your visa. On receipt of these documents, I will be able to enrol you.

If you do not get the visa within the deadline, please let me know.

Kind regards,

**Carine Faniel**
